

Kitchen Renovation Specialists

Love, life, longevity. All key ingredients of a great kitchen.

At Kitchen Craftsmen we believe that a 'kitchen in a home' is so much more than just a 'kitchen in a home'. It's a hub. It's where laughter reigns, where tears fall, it's from where the family daily news is broadcast. Life happens in a kitchen and it's keeping this in mind that ensures that every kitchen we design, build and install is as individual as you are.

Then of course there's food preparation. Functionality comes into play, features are paramount and practicality is essential. You will find to your delight that we are masters at utilising available space to its full advantage and will create inspired logic to achieve a design that is pleasing both ergonomically and aesthetically. In terms of your decision-making process on who to entrust with your kitchen, you should ask 'what sets Kitchen Craftsmen apart from the rest'? Well, the person that you deal with in our showroom is an experienced designer and not just a sales representative.

Guiding you through the process from start to finish, your designer has a complete understanding of your needs, budget and aspirations from consultation through to design, manufacture and installation. For you, most importantly, we are master craftsmen and take absolute pride in the quality of our work. A Kitchen Craftsmen kitchen is built for life, for love, for longevity.

Love your craft.

Our designs are crafted for you right here in Western Australia.

Some say craftsmanship's a thing of the past, but not for us. For us, craftsmanship is the delivery of a perfect finish, it's a working functionality that goes beyond the construction of a perfect meal and - because we are involved hands-on with every process from sale and design through to manufacture and installation - it's very personal.

Established in Perth, WA in 1999, Kitchen Craftsmen is a privately owned, family company. Since inception we have built an outstanding reputation for service, quality and an enduring ability to meet customers' needs - from small budgets through to creating beautiful kitchens that are central to some of the state's most luxurious homes.

We pay particular attention to detail at the planning and design stages to ensure that your Kitchen Craftsmen journey is a seamless continuation of work with minimal inconvenience right through to the completion of the project. Our highly skilled craftsmen and strict project management values ensure that your kitchen's installation is as perfect as the initial concept that you fell in love with. To ensure we're providing quality kitchens that will last, our cabinetry, glass and stone is manufactured in-house, in Perth.

Our Kitchens.

If you're looking for your dream kitchen, chances are Kitchen Craftsmen has exactly what you're looking for. Our kitchens range is extensive and designed to suit a wide variety of tastes and budgets, from cost efficient solutions through to luxurious family kitchens that will become a real centrepiece to any home.

We are proud to partner with some of the world's leading brands in kitchen benchtops, storage, appliances and more. In doing so, we are able to create innovative and eye-catching kitchen designs, all finished to the highest standards of quality and functionality.

Offering outstanding value for money, our range of kitchen designs vary from classic styles with beautifully sculptured doors, right through to contemporary styles with the latest high gloss finishes and an almost unlimited design and colour palette.

Our Doors.

The latest technology employed by our teams for cabinet and kitchen functionality is the most innovative in the market. Our experienced design team will happily talk to you through your needs when creating your new kitchen space. At Kitchen Craftsmen, we manufacture a wide range of doors in our Perth facility, ensuring you're receiving quality custom craftsmanship quickly and efficiently.

Square Edge and Flat Panel Doors

Contemporary and smart, with sleek lines and stylish cuts, our Square Edge and Flat Panel Door offering has something for everyone, from the most budget conscious to those seeking the latest technology in innovative surfaces. An expansively diverse range of materials, colours, and textures are available within this range.

Thermolaminated and Vinyl Wrap Doors

Offering a combination of affordability and design, Thermolaminated doors are available in a vast range of textures, colours and door profiles, allowing you to select a combination of each to easily reflect your personal style. From sleek, contemporary minimalistic designs, to the more traditional look of country style doors, our range of Thermolaminated doors offer a profile option for any aesthetic brief.

All of our Thermolaminated doors are non-porous, easy to clean and will retain their beauty, providing for years of trouble-free use. Available in finishes including Smooth, Matt, Gloss, Texture, Satin, Ashgrain, as well as the amazing range of Natura and Ravine textures, this expansive range is complemented further by a selection of decorative flutes, capping and mouldings to complete your ideal look.

Painted and Lacquered Doors

Our range of Painted doors are manufactured using a technologically advanced 2-Pac Polyurethane paint, which results in a surface that is easy to clean and has an extraordinary resistance to moisture. Available in a range of sophisticated door profile options, from elegant contemporary simplicity, to rich colonial character shaped doors, the Painted door range is further complemented by capping and moulding options which allow a unique design statement.

The Painted door range is available in a wide range of colours to suit the most minimalist design, right through to those who dare to be bolder, and is complemented by a range of finishes including Gloss, Satin and Texture.

Timber Doors

For those seeking a more traditionally styled look, our Timber door range provides warmth and a naturally luxurious feel. Available in favourite timbers such as Jarrah, Marri and Victorian Ash, as well as an extensive range of exotic woods, these handcrafted doors are available in a variety of profiles and edge details, sure to suit the most sophisticated style.

All of our Timber doors are supplied sealed or fully polished in either single pack or polyurethane. Our Timber door range is available in Satin, Semi-Gloss, Gloss or Texture finish options to complement the extensive range of profile designs and timbers available with this offering.

Painted Glass Fronted Doors

Our exclusive range of Painted Glass doors will provide a striking option for any home. For those seeking the ultimate in durability, non-porosity, and ease of cleaning that glass offers, we have developed our Painted Glass doors to offer a mirror-like finish to suit a strictly contemporary style. Available in an amazingly vibrant and sophisticated range of colours, our Painted Glass doors make a definite statement.

Aluminium Framed Doors

Available in Brushed Stainless, Satin Aluminium and black colour options. We have a number of slimline, wide, or shadowline door profiles available too. These are further complemented by an array of glass inserts, which include Frosted, Starphire White, Mirror or Clear options. The Aluminium Framed door range also offers suitability for undercover outdoor applications, providing an excellent solution to those wishing to extend the look and feel of their inside space to the outdoors. Available Compact Laminate inserts offer a waterproof, impact resistant and elegant solution to any area requiring a hardier resilience. Furthermore, the Compact Laminate colour range is designed to match many of the existing colour ranges available in our Square Edge and Thermolaminated selections.

Solid Acrylic Doors

Designed primarily for use in Outdoor applications, our Solid Acrylic doors are made to be hardwearing, durable, moisture proof and hygienic. As these doors are UV stable, they are ideal for external applications. Furthermore, in the unlikely event that these doors become slightly scratched or damaged in future, these minor imperfections may be buffed out and repaired on the existing door.

These doors are available in a comprehensive range of colours, finished with a High Gloss surface appearance.

Stone and Solid Surface Doors

Designed to match your work surfaces, our Stone and Solid Surface door range is available in a range of colours and finishes, sure to provide the ultimate in complementary design statements. Available in Textured and Gloss finishes, the colour range varies from the minimalistic through to the unique natural appeal of marble and granite statement pieces. These can be grain matched to provide a completely seamless transition from your work surface to your doors.

Cool to touch, and providing exceptional resistance to daily use, our Stone and Solid Surface door range provide an alternative that is sure to resonate beauty, exclusivity and individuality for the most sophisticated space.

Custom Printed Doors

Printed door range offers the ultimate in personal design statement, without compromising on existing methods of cabinet and door construction. Whilst these doors are not suitable for high traffic areas, these provide an opportunity for you to select a custom print or photograph of your choice, and have that image presented on the front of a usable cabinet.

Custom Printed Doors are an extremely affordable way to showcase your favourite image or memory as a design feature within your kitchen, or a great way to provide feature to an area within your home that could benefit from some additional storage and aesthetic appeal.

Functionality that fits you.

We understand that a kitchen has to fit the people who use it. On top of looking fantastic, its role should be to simplify daily life and add great convenience, which is why we partner with Häfele, the global leader in clever storage technologies. Like Kitchen Craftsmen, Häfele is passionate about providing super intelligent design and a product that delivers incomparable kitchen comforts and convenience through optimal functionality. Häfele famously pioneers ideas for kitchen areas and innovative storage space management.

“Our WA team measure, cut and install your glass and stone.”

A product we lean heavily upon.

Kitchen benchtops and splashbacks are some of the most used surfaces in any home, so not only should they look amazing but they also need to function well and be highly resilient for constant daily use. Engineered stone surfaces provide you with a smart and distinctly modern alternative to products such as marble and granite for kitchen benchtops and splashbacks. Kitchen Craftsmen’s long term partnerships with global market leaders means we can offer you a product range that delivers a contemporary approach to kitchen design and renovations, whilst maintaining the quality and luxury that you come to us for. Our engineered stone is safely cut in-house, hazard free and compliant with the law.

Delightful Service.

As a privately owned, family-run company we are completely aware that great product alone is not enough for long term business sustainability. Great relationships with customers are equally important. Since 1999 we have worked tirelessly to ensure that your journey with us, from start to finish, is a thoroughly delightful one. We are also happy to let you know that once your dream Kitchen Craftsmen kitchen has been installed, we will leave you with our Kitchen Craftsmen warranty*.

That's peace of mind for you and our way of saying thank you.

*warranty on selected doors in the range

*seven year warranty on selected doors in the designer, ribbon, artisan and craftsman ranges

*twenty five year warranty on selected cabinets in all ranges

*full warranty details are available on our website www.kitchencraftsmen.com.au

The Next Step.

We are proud to be pioneering suppliers of internationally renowned brands, helping us to provide clients with world class products along with craftsmen-inspired kitchens. With our elite combination of unique materials and our very own state-of-the-art workshops, Kitchen Craftsmen is able to make all of its kitchens in a bespoke way and to your personal design requirements.

We use environmentally positive materials that are sourced and made from sustainable supplies with over 90% of all wood products from within Australia. Additionally, we recycle over 95% of all our workshop timber waste. As a Western Australian, family-owned company we work closely with our communities and are proud sponsors of various local organisations.

We can be found in many locations around Perth and look forward to helping you with your new build or renovation project soon.

Double glazing solutions.

At Kitchen Craftsmen, we don't just love kitchens – we love alfresco spaces, bathrooms, laundries, and even windows and doors, too. As part of the FABSCO Group of Companies, we're fortunate to work closely with a number of premier Western Australian brands, including DuoGlass, Perth's largest manufacturer of double glazed windows and doors.

So, if you're looking to treat yourself to a new kitchen, why not treat your home to custom-made double glazing from DuoGlass at the same time? By doing so, you'll ensure you and your home will benefit from:

- Up to 50% reduction in heat gain
- Up to 80% reduction of external noise
- Added security and peace of mind
- UV protection

Plus, for added convenience, DuoGlass showrooms can be found within all six of Kitchen Craftsmen's showrooms in Claremont, Jandakot, Joondalup, Midland and Osborne Park.
