

# Kitchen Renovation Pricing Guide

**Love, life, longevity.**  
All key ingredients of a great kitchen.

At Kitchen Craftsmen we believe that a 'kitchen in a home' is so much more than just a 'kitchen in a home'. It's a hub. It's where laughter reigns, where tears fall, it's from where the family daily news is broadcast. Life happens in a kitchen and it's keeping this in mind that ensures that every kitchen we design, build and install is as individual as you are.

Then of course there's food preparation. Functionality comes into play, features are paramount and practicality is essential. You will find to your delight that we are masters at utilising available space to its full advantage and will create inspired logic to achieve a design that is pleasing both ergonomically and aesthetically.

In terms of your decision making process on who to entrust with your kitchen, you should ask 'what sets Kitchen Craftsmen apart from the rest'? Well, the person that you deal with in our showroom is an experienced designer and not just a sales representative. They have a complete understanding of your needs, budget and aspirations from consultation through to design, manufacture and installation. For you, most importantly, we are master craftsmen and take absolute pride in the quality of our work.

A Kitchen Craftsmen kitchen is built for life, for love, for longevity.  
Love your craft.

## Joondalup

Choosing a mix of luxe and minimal, this is a dramatic kitchen in a small space. Integrated appliances to streamline the look of the kitchen and plenty of storage, this kitchen oozes style and practicality. We used the same Caesarstone

Benchtop as the Splashback, which is hardwearing and easy to keep clean. Matte black tapware is remaining popular in new kitchen designs as aside from looking stylish, it requires minimal maintenance over time and resists watermarks and fingerprints.
